

## W.C.D. KIDZ CAMP Behavior Contract

As a Kidz Kamp camper, I promise to follow these camp rules:

- I will stay within camp boundaries at all times (unless on a camp outgoing with camp staff)
- I will be considerate to Nature, property and people.
- I will stay on the camp trails.
- I will be with a camp buddy at all times, and stay with my assigned group.
- I will leave rocks and sticks on the ground.
- I will not be on the waterfront or in the water unless a lifeguard is present. Campers found swimming or boating without a life guard present may be sent home..
- I will not use abusive language or engage in abusive contact with other campers or staff.
- I understand that I may not bring matches, lighters, firecrackers, pocket knives, or any weapons to camp. If I bring these items to camp, it may result in my being sent home.
- I will attend all scheduled activities.
- I understand that I must be responsible for all my own personal items.
- I will only use my cell phone at permitted times.
- Intentionally injuring another camper or counselor will result in an immediate call to a parent and expulsion from camp at the parents expense and time.

If behavior problems should occur, we may either use \*time-out\* or deny participation in an activity. WE NEVER use physical or corporal punishment, isolate a child or deny them food or water. Camper's whose behavior cannot be managed with the above mentioned methods will be sent home at the expense of the parent or guardian. By signing this the parent or guardian understands that in the event that they need to be called that it becomes their responsibility to make arrangements to pick up their child in a timely manner.
