

The **FAITH Worship Choir** provides a beautiful blend of musical styles to our worship services every week. From traditional, contemporary, a-capella, and Southern gospel we enjoy expressing praise in many different ways. Anyone is welcome to join the Faith Worship Choir, even if you are not a member. We rehearse every Wednesday, Sept- June at 7 P.M. in the sanctuary. There is no interview or audition required for this team. Reading music is NOT necessary, but an ability to match pitch is highly desired. If you enjoy singing, having fun, and making lasting friendships while growing deeper in your understanding of worship you will benefit of being a part of this group. Come join us!
