What We're Teaching

A Day At The Museum

Jesus' Early Life & Ministry

Museums have the unique ability to transform learning! Instead of merely reading words on a page, we can experience them through all of our senses! A Day at the Museum is a series all about helping kids interact with the stories of Jesus and connecting them to God. Jesus' life and early ministry helps all of us **experience (see, hear . . . even taste!)** and **follow God** in new, tangible, and real ways.
