What We're Teaching

Make It or Break It: Creation & Early Humanity

Whether it's with LEGO bricks, Minecraft, or Roblox, kids (and adults!) love to make things — and sometimes break them. In this four-week series from the very beginning of the Bible, we'll compare God's ability to make good things with our tendency to break them. Through the stories of creation, the fall, Cain and Abel, and the Tower of Babel, we'll see that God makes good things, unbreaks what's been broken, and made us different on purpose, so we should honor God with the things we make.
