What We're Teaching

WONDER-FULL – a Series On Worship Begins next Sunday

From the Northern Lights to the Great Barrier Reef, our world is full of so many incredible wonders! In this four week series, we'll explore the natural wonders of the world while learning from the book of Psalms that all of creation gives evidence of our wonderful God and Creator! Each week, we'll invite kids to worship because of all the "wonder-full" things God has done by **putting their hope in God, asking for God's help, remembering what God has done, and living for God!**
