What We're Teaching

Animated: A Series On The Prophets

If you've ever gotten a little emotional during your favorite Disney or Pixar movie, you know animation is a powerful tool to not only tell big stories, but to make us feel big feelings, too! In this four-week series, we'll look at some stories of the Old Testament prophets as we explore some of those feelings. These stories will remind kids that God cares about our big feelings. With God, we can all feel secure, comforted, valued, and loved, even when our emotions tell us otherwise.
