What We're Teaching

Behind The Scenes: Esther

The most important part of any play is what happens "behind the scenes." There's lighting, wardrobe, casting, playwriting — so much has to happen perfectly to bring the production together! In the story of Esther, there is a whole lot going on behind the scenes, too. In this four-week series, kids will discover the most important character in Esther's story isn't always center-stage, but can often be found behind the scenes working, helping, giving support and giving peace. (Spoiler alert: It's God!)
