

Welcome!

The pastors and family of FAITH welcome you!

No two worship gatherings are the same because worship is shaped by the Lord's presence and the people assembled to honor Him. We're glad you will help form this community of worshippers this morning. We believe the Bible is central to understanding God, ourselves and God's redemptive purpose in Jesus Christ and are joyfully committed to sharing the truth of God's word in order to become and be the people of God.

Please complete a Visitor Card located in the pew racks letting us know if you desire to be contacted.

If you have children with you today, we offer age-appropriate classes at 9:30 am and Faith Kids worship at 10:30 am. A church nursery is open in Room 302 with a nursing mother's room located in the front foyer. Our children's check in station is located outside Benner Fellowship Hall. Please ask a greeter for directions.

Church Security

Outside doors are locked at 10:45 am. A security team member will assist you in the center front foyer if you need to enter after that time.

Holy Sexuality, presented by Dr. Caleb Friedeman
Today & Next Sunday, 9:30 am

Benner Fellowship Hall, High School thru' Adults

Human sexuality is the foremost social and ethical issue facing the Western church today. Our world is increasingly embracing an "anything goes" approach to sexuality in which all things sexual are a merely matter of personal preference. But what does God have to say about all of this? We will finish this series by examining two major challenges facing the church today—homosexuality and transgenderism—advocating that the church must respond to these issues with Scriptural truth and holy love.

March 17: Homosexuality March 24: Transgenderism

Dr. Caleb Friedeman currently serves as David A. Case Chair of Biblical Studies and Associate Research Professor of New Testament at Ohio Christian University.

What We're Teaching

Glow In the Dark: A Series on Easter

In the dark, a world of neon colors comes to life. Whether it's the soft green of glow-in-the-dark stars or the bright colors of bioluminescent creatures, light can break through the darkness. When the world needed some light, God sent Jesus because he glows in the dark, and he can teach us how to shine with God's light, too! We will follow Jesus' life leading up to Easter to see some of the ways he can shine bright in our lives. We'll see Jesus is the light in the darkness, learn how we can choose Jesus and know God hears our cries while celebrating how Jesus died and rose again!
