

Welcome

The pastors and family of FAITH welcome you!

We're glad you will help form the community of worshippers at FAITH this morning. We believe the Bible is central to understanding God, ourselves and God's redemptive purpose in Jesus Christ and are joyfully committed to sharing the truth of God's word.

Please use the cards in the pew racks to let us know if you are visiting, if you wish to be contacted or if you would like the FAITH family to pray for you.

Children should be Checked In outside Benner Fellowship Hall to attend Faith Kids Worship. There is not a Children's Message today.

A church nursery is open in Room 302 and a nursing mother's room is located in the front foyer.

Church Security

Outside doors are locked at 10:45 am. A security team member in the center front foyer will assist you in entering after that time.

Missions & Serving

Spare Change Offering, Today

Faith Kids supports the Kunkle and Waggoner families serving in McAllen, Texas and Albania. Your spare change will help them fulfill their share in the ministries of these families.

OCC Monthly Packing, This Tuesday, 5:00 pm

Join us in Benner Auditorium to assemble 500 school kits, put notebook paper in folders, and rubber band soccer balls with pumps. Sloppy Joes and chips will be available for those who come hungry!

Church Extension Offering, Next Sunday

Next Sunday, we will receive an offering to support the denomination's church planting efforts. The number of churches in America is not keeping up with population growth which means there aren't enough entry points for the unsaved to find or be found by a community of believers. Research shows those who don't currently attend church are more willing to try a new church than visit an established one and more believers attending new churches invite unsaved friends than those from established churches. Special envelopes are in the foyers or mark your standard envelope, *Church Extension*.

What We're Teaching

One Small Step - Series on The Early Church

Astronaut Neil Armstrong once said landing on the moon was "one small step for man." The biggest adventures start in such a simple way - especially when it comes to space! Asteroids, distant planets, and brand-new galaxies await us once we leave earth's atmosphere. Being the first to explore such uncharted territory can be intimidating. In this series, we'll take a look at the Book of Acts to learn from the first Christians. Through their stories of faith and bravery, kids will learn how to take the first step of believing in Jesus, the next step of praying for others, and an even bigger step of trusting the Holy Spirit makes us brave. But they won't want to skip the last step of telling others about Jesus.

End of School Year Bash

Altitude Trampoline Park, Thu, May 23, 5:30-7:30 pm

Let's celebrate the end of the school year and JUMP into summer! This event is free for the first 50 kids and only \$5 for any who sign up after we reach that number. Register through Pastor Jarod so you can complete the necessary waiver form. We will meet at the Park (Heath, OH). Parents are welcome to stay and enjoy the fun!

Kidz Kamp, June 3-6, students in 3rd-6th grades

Camp Aldersgate, Carrollton, Ohio

[Register online now](#). Payment for camp should be to our church since we will be giving one payment to the denomination for our group. Contact [Pastor Jarod](#) with questions or to discuss financial assistance. **Consider sponsoring a child for all or part of the cost.** Forms are in the foyers or mark your offering envelope *Kidz Kamp*. Online, select *Children Donation* (do not select Children Event Payments).

Welcome John & Priscilla Kunkle

John & Priscilla began their service in 1999 with the Wings of Peace aviation ministry in Bolivia. John piloted the last Wings of Peace airplane from 2002 until 2008 when the aviation program was discontinued.

They returned to the United States with their family to pastor a small church in Laredo, Texas, on a temporary assignment with WGM. Living on the border, they saw a desperate need for teachers and workers at Taylor Christian School and Taylor Community Center in McAllen, Texas. They felt the Lord leading them to make the transition to McAllen when their time in Laredo ended in 2014.

The Kunkles have served nine years in McAllen. Priscilla serves as the Area Team Leader for the global workers while John has been involved in facility maintenance. He headed up the recent Taylor Transformation Project for the Taylor Community Center completed in 2022.

Returning to the Texas/Mexico Border Ministries this year, they will need the support of many to partner with them in the work. They plan to work again with the Taylor Community Center by serving the missionaries, the community, and the local churches through leadership training and discipleship for the expansion of God's kingdom.

John and Priscilla have four children, David, Jonathan (who serves with his wife Jera at Mt. Carmel High School near Jackson, Kentucky), Tianna, and Anthony.
