

Welcome

The pastors and family of FAITH welcome you!

We're glad you are here forming the community of worshippers this morning. We believe the Bible is central to understanding God, ourselves and God's redemptive purpose in Jesus Christ and are joyfully committed to sharing the truth of God's word.

Please use the cards in the pew racks to let us know if you are visiting, if you wish to be contacted or if you would like the FAITH family to pray for you.

Children Preschool through 6th grade should be Checked In outside Benner Fellowship Hall. They will remain in the sanctuary through the Children's Message and then go with Pastor Jarod for Faith Kids worship.

A church nursery is open in Room 302 and a nursing mother's room is located in the front foyer.

Outside doors are locked at 10:45 am. A security team member in the center front foyer will assist you in entering after that time.

Missions

Bibles for Christmas, Lifewise Academy

Many students who participate in Lifewise Academy would like to have a Bible but do not own one. A donation of \$17 would provide a Lifewise One Big Story Bible for a student. Mark your offering envelope, *Bible*. Contact Emily Hayek, 740-475-8742.

What We're Teaching

On The Right Track, Joshua

Racers, start your engines! In a race, you might need to navigate obstacles, pit stops, and tight turns in order to stay on the right track. As you're zooming through the track, there's so much to think about and it can be hard to stay focused on what's most important! In this four-week series, we'll learn some important stories from Joshua about how obstacles are no problem for God and courage comes from knowing God's words. No matter how long the race, God can use someone like you because with God, there is victory!

Build a Shoebox Online

Have you ever thought of building a shoebox online in the comfort and ease of your own home?! It's cost-effective, fun, and only takes a few minutes. Pray for the children who will receive the boxes. Go the [Operation Christmas Child](#) website or scan the QR code.
