

# Welcome

## The pastors and family of FAITH welcome you!

We're glad you are here forming the community of worshippers this morning. We believe the Bible is central to understanding God, ourselves and God's redemptive purpose in Jesus Christ and are joyfully committed to sharing the truth of God's word.

**Please use the cards in the pew racks to let us know if you are visiting, if you wish to be contacted or if you would like the FAITH family to pray for you.**

## PDHC Baby Bottle Fundraiser, through Feb. 16

More people are coming forward to talk about how they regret having an abortion. Here are some quotes from actual testimonies:

*It affected my relationship with my children because I emotionally pushed them away - I felt I didn't deserve them.*

*I would go to the cemetery wondering what they did with my baby.*

*Initially I felt a sense of relief that it was all over. But it was a strange brand of relief that did everything relief should, except make me feel any better.*

If you or someone you know is struggling from an abortion, call or text 24/7 at PDHC's Abortion Recovery CareLine at 614.721.2100. Help those working on the frontlines by filling a baby bottle with cash, coins, or checks. Learn more by contacting Kristin at [KristinG@PDHC.org](mailto:KristinG@PDHC.org) or 740.475.9145.

## PDHC New Location Open House & Ribbon Cutting

The new Lancaster PDHC Center officially opened at 3030 Columbus-Lancaster Road NW! (in the strip mall next to Meijer). Please come to an **Open House/Ribbon Cutting**, this Thursday, 11am-1pm! Center blessings will take place at the beginning and end of the open house and refreshments will be provided. Please pray for us during this time of transition as we confidently move ahead into the remarkable plans God has for us.

## What We're Teaching on Sundays

## February: WOW! Series on Jesus' Miracles

Whether it's a rocket car powered by soda and mints or a tornado in a water bottle, there's so much in our world that can fill us with awe. The world of STEM, science, technology, engineering, and mathematics, is full of things that look like little miracles, but they're nothing compared to the miracles God can perform. In this four-week series, kids will take a look at some of the miracles that Jesus performed during his ministry. Through stories showing the power of Jesus, they'll no doubt go, Wow! Jesus has the power to heal, to calm our fears, to provide, and to save.

## What We're Teaching on Wednesdays

## February: God is Love

"Love" is a word that gets thrown around a lot. But what does it really mean to love the way God loves? The answer to that question is written throughout the Bible, and is really highlighted in 1 Corinthians 13. In this series, kids will learn how we can emulate the love God has for us.
