

Welcome

The pastors and family of FAITH welcome you!

We're glad you are here forming the community of worshippers this morning. We believe the Bible is central to understanding God, ourselves and God's redemptive purpose in Jesus Christ and are joyfully committed to sharing the truth of God's word.

Please use the cards in the pew racks to let us know if you are visiting, if you wish to be contacted or if you would like the FAITH family to pray for you.

Children Preschool through 6th grade should be Checked In for Faith Kids outside Benner Fellowship Hall.

A greeter or usher will be happy to direct you. Children will be in the sanctuary through the Children's Message after which they will go with Pastor Jarod for Faith Kids Worship.

A church nursery is open in Room 302 and a nursing mother's room is located in the front foyer.

L.I.F.E. Group Event!

Are you 50+ years old? Can you make an amazing pot of Chili that is contest worthy?!?!? Or are you willing to take on the task of deciding who makes the best pot of chili in a contest setting?? If you answered yes to one of these questions, then this LIFE Group Event is for you! LIFE Group will be holding a **CHILI COOKOFF CONTEST**, Saturday, February 22nd at 5:30 pm in Benner. We need volunteers to enter their pot of chili in the contest (aka our "dinner"!), others will need to bring some chili toppings, beverages, etc. Everyone attending will be the judges of the contest and the chef responsible for the winning pot of chili will win a prize!! Sign-up sheets (to attend, to enter the chili contest, and/or bring other items) are located in the front foyer and the office hallway table. Deadline for signing up is 2/16. Donations may be made at the event to cover costs. **Remember:** nothing beats the chilly weather like a tasty bowl of chili and LIFE begins at 50!!!

What We're Teaching on Sundays

February: WOW! Series on Jesus' Miracles

Whether it's a rocket car powered by soda and mints or a tornado in a water bottle, there's so much in our world that can fill us with awe. The world of STEM, science, technology, engineering, and mathematics, is full of things that look like little miracles, but they're nothing compared to the miracles God can perform. In this four-week series, kids will take a look at some of the miracles that Jesus performed during his ministry. Through stories showing the power of Jesus, they'll no doubt go, Wow! Jesus has the power to heal, to calm our fears, to provide, and to save.

What We're Teaching on Wednesdays

February: God is Love

"Love" is a word that gets thrown around a lot. But what does it really mean to love the way God loves? The answer to that question is written throughout the Bible, and is really highlighted in 1 Corinthians 13. In this series, kids will learn how we can emulate the love God has for us.

Volunteer Training, Sat, March 8, 10 am – 12 pm

If you are currently serving or have a desire to serve in the church Nursery or Faith Kids ministry, this is for you! This will be a time of showing our appreciation to all of you who have dedicated so much time and energy to the children of Faith and also be a time to grow through some training and fellowship. Food and drinks provided.
